A cross-sectional diagram of a circular component, likely a wheel or disc, showing its internal structure. The outer ring is divided into 16 segments, each labeled with the number 15. The inner ring is divided into 16 segments, each labeled with the number 14. The central hub is divided into 16 segments, each labeled with the number 13. The segments are arranged in a radial pattern, with the numbers 15, 14, and 13 appearing in a repeating sequence around the circle.
